# **“Choose Safe Places” helps identify sites that are safe from environmental hazards**

The “Choose Safe Places” program helps early care and education programs choose locations that are safe from environmental hazards.

10/22/2019

Department of Early Education and Care

The Department of Public Health, Bureau of Environmental Health (DPH) has launched "Choose Safe Places" - a new initiative to help early care and education programs choose locations that are safe from environmental hazards so that children are protected from toxic chemicals. "Choose Safe Places" provides free resources and assistance such as fact sheets for educators and parents, a property questionnaire, and contact information. Visit the [\*\*"Chose Safe Places"\*\*](https://choose-safe-places-for-early-care-and-education) website to learn more about this valuable program!

## Department of Early Education and Care

[\(/orgs/departments-of-early-education-and-care\)](/orgs/departments-of-early-education-and-care)

The Department of Early Education and Care's mission is to support the healthy growth and development of all children by providing high quality programs and resources for families and communities.
